Kennel Sponsorship

Your \$240 donation, just \$20 per month, will be used for day-to-day maintenance of a kennel and some of the costs associated with the care of a cat or dog housed in that kennel. Kennel sponsorship includes covering the cost of food, supplies like litter (for cats), toys, blankets/pillows, for the animal housed in your kennel. Your donation helps to cover cleaning supplies, repairs, etc. It will also aid with additional medical costs for treatments the animal in your kennel may need. Your name will be posted to show that you are the generous Restigouche County SPCA supporter who is sponsoring the annual cost of this kennel.
